Behavioral Guidelines 2018

Peter Smith, AM & PM Director
David Jackson, Eve Director

It is our goal to provide a healthy, safe, and secure environment for all recreation participants. Children who attend the program are expected to follow the behavior guidelines and to interact appropriately in a group setting. We are committed to ensuring that every child is able to enjoy and benefit from our program. All participants and families must be committed to safety, constructive participation and appropriate behavior, and willing to abide by the guidelines.

Take a moment to go over the following guidelines carefully with your child and sign at the bottom.

As a P.A.L participant I promise that:

- I will listen carefully to rules and instructions and ask questions when I do not understand.
- I will treat staff, the camp environment, and their fellow campers with respect.
- I will treat all equipment and supplies with proper care and respect.
- I will be kind to other children and staff and I will not threaten or bully other campers.
- Have a positive attitude and have fun!

As a parent I understand that:

- I will help my child understand and follow these guidelines.
- If my child’s behavior becomes a safety issue or undermines the ability of others to enjoy their experience, his or her participation may be suspended temporarily or permanently.
- Temporary suspension and/or permanent dismissal from the program are at the discretion of the program director.

We agree to follow and support the guidelines set forth. (Parent & camper both sign)
